## 14.002 Definitions

(1) ~~“Professional Services” means those services within the scope of the practice of architecture, professional engineering, or registered land surveying as defined by law or those performed by any architect, landscape architect, professional engineer or registered land surveyor in connection with professional employment or practice or other professional services that may be required.~~

(2) ~~“Construction Management Services” means those services whereby the construction manager is selected pursuant to Regulation 14.0055, to provide consulting services during the design phase; and management and contractual responsibility for the total construction project under a negotiated fee and guaranteed maximum price construction contracting method. A fee is negotiated for profit, overhead and direct management costs. Trade contracts are awarded by the construction manager based on competitive bids received in response to invitations to bid issued by the construction manager. A guaranteed maximum price is provided by the construction manager, and the total price paid to the construction manager is either the fee plus the actual cost or the guaranteed maximum price, whichever is less.~~

(3) ~~“Design-Build Services” means those services whereby one single legal entity selected pursuant to Regulation 14.0055, is responsible for design and construction services under one contract. Where such services are within the scope of practice of architecture, or professional engineering as defined by law, they are to be performed by a registered architect or professional engineer, and where those services are within the scope of construction contracting as defined by law for construction, they are to be performed by a certified or registered contractor as applicable according to Florida Statute.~~

(4) ~~“Project” means that fixed capital outlay construction project, study or planning activity described in the Public Notice including:~~

~~(a) Individual facilities;~~

~~(b) Grouping of substantially similar facilities, rehabilitation and/or renovation activities; or~~

~~(c) Grouping of minor facilities, rehabilitation and/or renovation activities.~~

(5) ~~“Construction budget” shall mean that amount which is announced after the deadline for the receipt of bids, but prior to the opening of bids.~~

(6) ~~A “Continuing Contract for Professional Services, also referred to as Campus Service Agreements, is a contract for professional services entered into in accordance with all the procedures of Regulations 14.004 and 14.005 between a university and a firm whereby the firm provides professional services to the university for projects in which the estimated construction cost of each individual project under the contract~~

does not exceed \$2,000,000, for study activity i
