(b) For proposal-based selections, the Committee shall review all design-build proposals. The Committee shall rate each firm applicant on the basis of the point scale identified. The Committee shall request formal design-build proposals and shall conduct interviews with no fewer than three and no more than six firms applicants. For a project having fewer than three firms applicants, the Committee shall request formal design-build proposals from each firm applicant. Firms Applicants may be instructed to submit their design-build proposals in such a way as to maintain their anonymity. The design-build proposals shall be reviewed by the Design Criteria Consultant, who shall provide the Committee with an evaluation of code, structure, engineered systems, life-cycle cost implications, and compliance with design criteria.
