NOTICE OF PROPOSED REGULATION AMENDMENT

DATE: July 14, 2011

Each board of trustees shall include specified information in its annual report submitted to the Board of Governors pursuant to its University Work Plans and Annual Reports regulation, including revenues, expenditures, enrollment, degrees earned, certificates earned, and out-of-state locations in which face-to-face instruction was offered for Continuing Education.

credit courses. The costs of these courses may be recovered from non E&G sources such as grants, contracts, directly from participants, and combinations of these sources. The Continuing Education Activity within the Auxiliary Budget Entity may also be used for the purpose of planning, offering, and recovering all costs of sponsored credit institutes and programs as provided by Rule 6C-7.008(1)(a).
