

FLORIDA BOARD OF GOVERNORS  
NOTICE OF PROPOSED AMENDED REGULATION

DATE: June 27, 2016

REGULATION NUMBER AND TITLE: Regulation 7.008 Waivers and Exemptions of Tuition and Fees

SUMMARY:

House Bill 799 amends section 1009.26(14), Florida Statutes, by waiving out-of-state fees for active duty service members of the Armed Forces of the United States residing or stationed outside of Florida. This means all enrolled active duty service members should be charged an equivalent amount of tuition and fees per credit hour as charged to a resident student in the same course.

House Bill 1157 amends section 1009.26(8), Florida Statutes, by modifying the Purple Heart waiver to allow recipients of a Purple Heart or other combat decoration superior in precedence who were residents of the state at the time of military action to receive the tuition and fee waiver, no matter where the recipients are currently residing. Additionally, the legislation allows for the waiver of tuition and fees for recipients currently living in Florida whose home of record at the time of military action was another state.

- (a) The amount waived by the university shall be an amount equal to the cost of tuition and associated fees for a total of 120 credit hours. The child or spouse may attend on either a full-time or part-time basis. The benefits provided to a child under this section shall continue until the child's 25th birthday. The benefits provided to a spouse under this subsection must commence within 5 years after the death occurs, and entitlement thereto shall continue until the 10th anniversary of that death.
- (b) Upon failure of any child or spouse benefited by the provisions of this subsection to comply with the ordinary and minimum requirements of the institution attended, both as to discipline and scholarship, the benefits shall be withdrawn as to the child or spouse and no further moneys may

remains registered and makes satisfactory academic progress as defined by the university in which the person is enrolled. A wrongfully incarcerated person is someone who has had a felony conviction and sentence vacated by a court and the original sentencing court has issued its order finding that the person neither committed the act, nor did not aid, abet or act as an accomplice or accessory to the act or offense.

(20) A university may waive the tuition differential for students who meet the eligibility requirements for the Florida public assistance grant.

(21) Public School Classroom Teacher – Each university board of trustees may waive tuition and fees for a classroom teacher who is employed full-time by a school district and who meets the academic requirements established by the university for up to six credit hours per term on a space-available basis in undergraduate courses related to special education, mathematics or science approved by the Department of Education. The waiver may not be used for courses scheduled during the school district's regular school day.

(22) Veterans – Each university board of trustees shall waive out-of-state fees for honorably discharged veterans of the United States Armed and Reserve Forces (Air Force, Army, Coast Guard, Marines, and Navy) and the National Guard (Army and Air) who physically reside in Florida while enrolled at a university. Persons who are entitled to and uses educational assistance provided by the United States Department of Veterans Affairs also qualify for this waiver if they physically reside in Florida while enrolled at the university in any term beginning after July 1, 2015. Tuition and fees charged to a veteran or person who qualifies for the out-of-state fee waiver under this subsection may not exceed the tuition and fees charged a resident student enrolled in the same program.

(iii) Submit an official Florida high school transcript as evidence of attendance and graduation.

The waiver is applicable for 110 percent of the required credit hours of the undergraduate degree or certificate program for which the student is enrolled.

A state university student granted an out-of-state fee waiver must be con
