January 24, 2018

Based on the recommendation from the August 30, 2017 Steering Committee, a Task Force will be appointed to develop a strategy for sharing language instruction in Florida. Each institution should appoint a member to the Task Force.

Appoint a Florida Shared Languages Initiative Task Force to discuss and report on the following areas:

- a) Define the business model for shared programs.
- b) Determine if specific SACSCOC requirements and barriers exist.
- c) Recommend strategies to use resources already developed in Florida including Open Educational Resources, eTexts, use of shared tutoring and support services.
