SOURCE: Board of Governors staff analysis of FETPIP data in accordance with 1001.706(5)(d), Florida Statutes. Note: Programs with a minimum threshold of 30 graduates and more than 10 with full-time wages program to be considered in rankings. Employment and earnings data based on FETPIP's published reports for 4th quarter (Oct-Dec) wages in Florida - this does not include non-Florida employment data. Full-Time Threshold is the minimum wage multiplied by 40 hours per week multiplied by 13 weeks (this is a quarterly threshold). Full-Time Annualized Wages calculated by multiplying the Full-Time Threshold by 4.
